TESTED PRODUCT

Page 1 of 1

Product Type (i.e. Source, Sink, Repeater, Cable): Source

Parent Model Name: BFX-UA300

Parent Model Number: BFX-UA300

Derivative Model Name(s) and Number(s) supplied
by Adopter, not tested:
n.a.

TEST CONFIRMATION

Date of Issue: Sep 06, 2021

Test Center: Simplay Labs ATC, LLC

CTS Version: 2.1h HDCP Tested: YES

Confirmed by Forum CPM: George Burgess

Notes:

1. This confirmation does not guarantee the quality or functionality of any product, compliance with any specification, or interoperability with other HDMI products. The Adopter is solely responsible for the quality, functionality, interoperability and specification conformance of the Adopter's products, and the HDMI Forum and its agents shall have no obligation or liability to Adopter or any other party with respect to such quality, functionality, interoperability, or conformance.
2. This certificate confirms only that a sample provided by Adopter of the Parent Model product listed above has successfully completed testing at an HDMI Forum Authorized Test Center. Derivative Models listed above are based on Participant's representation that all such product models have identical hardware and software to the Parent Model sample product that successfully completed testing as confirmed by this certificate.
