⚠ Warning (0)																						
▼ ⓘ Info (1)																						
Detected Build Info	This build was detected using the FASTBOOT build detection strategy. The following partitions we found within the submission:<table><tr><th>Partition</th><th>Mount Point</th><th>Image Path</th></tr><tr><td>userdata</td><td>/data</td><td>/userdata.img/</td></tr><tr><td>system</td><td>/</td><td>/system.img/</td></tr><tr><td>vendor</td><td>/vendor</td><td>/vendor.img/</td></tr><tr><td>odm</td><td>/odm</td><td>/odm.img/</td></tr><tr><td>recovery</td><td>/_by_plabel_/recovery</td><td>/recovery.img</td></tr><tr><td>boot</td><td>/_by_plabel_/boot</td><td>/boot.img</td></tr></table> Partition image paths are relative to the common path prefix: This finding is for info only and does not represent a build blocking issue or warning. If any information presented is incorrect please ensure that your submission meets the documented requirements for FASTBOOT submissions. If you believe the submission is correct and any of the partitions that were supplied are not represented or incorrectly represented please report this issue to your TAM to help us to improve the completeness and accuracy of build and partition detection.	Partition	Mount Point	Image Path	userdata	/data	/userdata.img/	system	/	/system.img/	vendor	/vendor	/vendor.img/	odm	/odm	/odm.img/	recovery	/_by_plabel_/recovery	/recovery.img	boot	/_by_plabel_/boot	/boot.img

Show more details

MBA policy violation in /system/priv-app/TvSettings/TvSettings.apk EXEMPTED

The app com.android.tv.settings does not have the proper permissions.

App must be added to allowlist with signing certificate digest 262dbff8897a9ddca2047d1b4f175b08a4c59e1148ad15f7900573daedf71e62 because it declares: android.permission.DUMP.

If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection.

See more information at <https://docs.partner.android.com/gms/policies/domains/mba#app-and-network-usage-statistics-policy> and exemption details at <https://docs.partner.android.com/gms/policies/overview/amsterdam0#template2>.

MBA policy violation in /system/app/SKB_F_STB_Home_UI5.0_alt/SKB_F_STB_Home_UI5.0_alt.apk EXEMPTED

The app com.skb.tv does not have the proper permissions.

App must be added to allowlist with signing certificate digest 262dbff8897a9ddca2047d1b4f175b08a4c59e1148ad15f7900573daedf71e62 because it declares: android.permission.ACCESS_NOTIFICATIONS.

App uses following apis and must be listed in config.xml file:
Landroid/service/notification/NotificationListenerService;->onDestroy. Please ensure this app is also added to the allowlist.

If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection.

See more information at <https://docs.partner.android.com/gms/policies/domains/mba#notification-access-and-notification-listeners-policy> and exemption details at <https://docs.partner.android.com/gms/policies/overview/amsterdam0#template1>.

MBA policy violation in /system/app/BTV_IME/BTV_IME.apk EXEMPTED

The app com.skb.btv.ime does not have the proper permissions.

App uses following permissions, which must be declared in a manifest: android.permission.INTERACT_ACROSS_USERS.

If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection.

See more information at <https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy> and exemption details at <https://docs.partner.android.com/gms/policies/overview/amsterdam5>.

Show more details

MBA policy violation in /system/app/DeviceControlService/DeviceControlService.apk EXEMPTED

The app com.skt.aidev.device.connect does not have the proper permissions.

App uses following permissions, which must be declared in a manifest: android.permission.RECEIVE_BOOT_COMPLETED.

If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection.

See more information at <https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy> and exemption details at <https://docs.partner.android.com/gms/policies/overview/amsterdam5>.
