Name	Test description
Alert (0)	
Warning (26)	
MBA policy violation in /system/app/SKB_ZemKids_AI2MAX_foxconn/SKB_ZemKids_AI2MAX_foxconn.apk	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.zemkids does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.MODIFY_AUDIO_ROUTING. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam5.
MBA policy violation in /system/app/nugu_updater/nugu_updater.apk	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skt.aidev.nuguupdater does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_FINE_LOCATION, android.permission.READ_PHONE_STATE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/DeviceControlService/DeviceControlService.apk	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skt.aidev.device.connect does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_COARSE_LOCATION. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/priv-app/SetupWizardCustomizer/SetupWizardCustomizer.apk	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.vasott.leanbacklauncher.partnercustomizer does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_PHONE_STATE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/UEIService/UEIService.apk	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.uei.quicksetsdk.skb does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_COARSE_LOCATION, android.permission.ACCESS_FINE_LOCATION, android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/priv-app/TvSettings/TvSettings.apk	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.android.tv.settings does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
	Future instances of this issue will be treated as an alert on 2022-10-28.

MBA policy violation in /system/app/A2dpDeviceService/A2dpDeviceService.apk POSSIBLE WARNING ⓘ	The app com.vasott.a2dpdeviceservice does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_EXTERNAL_STORAGE, android.permission.READ_PHONE_STATE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/amg-fxn-bfx-ua300/amg-fxn-bfx-ua300.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.addradagent does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/BtvFrameworkService/BtvFrameworkService.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.framework does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_FINE_LOCATION, android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/SKB_SBOX_STB_Patch_UI5.0/SKB_SBOX_STB_Patch_UI5.0.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-09-28. The app com.skb.tvpatch does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.INSTALL_PACKAGES. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#package-downloader-installer and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam0#template4.
MBA policy violation in /system/app/UpgradeService/UpgradeService.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.upgrade does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/BTV_IME/BTV_IME.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.ime does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.INTERACT_ACROSS_USERS. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam5.
MBA policy violation in /system/app/TvSystemService/TvSystemService.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.tvstorm.tv.system does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/PushAgent/PushAgent.apk POSSIBLE WARNING ⓘ	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.stbPush does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.GET_ACCOUNTS, android.permission.READ_PHONE_STATE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
	Future instances of this issue will be treated as an alert on 2022-09-28. The app com.android.tv.settings does not have the proper permissions.

MBA policy violation in /system/priv-app/TvSettings/TvSettings.apk POSSIBLE WARNING	App must be added to allowlist, because it declares: android.permission.DUMP. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#app-and-network-usage-statistics-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam0#template2.
MBA policy violation in /system/app/btvbtservices/btvbtservices.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.bluetooth does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_COARSE_LOCATION, android.permission.ACCESS_FINE_LOCATION, android.permission.BLUETOOTH_CONNECT, android.permission.BLUETOOTH_SCAN, android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/SKB_ZemKids_AI2MAX_foxconn/SKB_ZemKids_AI2MAX_foxconn.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.zemkids does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.READ_EXTERNAL_STORAGE, android.permission.RECORD_AUDIO, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/BtvFrameworkService/BtvFrameworkService.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.framework does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.BLUETOOTH. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam5.
MBA policy violation in /system/app/UpgradeService/UpgradeService.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.upgrade does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.INSTALL_PACKAGES. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam5.
MBA policy violation in /system/app/SKB_SBOX_STB_Home_UI5.0/SKB_SBOX_STB_Home_UI5.0.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-09-28. The app com.skb.tv does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_NOTIFICATIONS. App uses following apis and must be listed in config.xml file: Landroid/service/notification/NotificationListenerService;->onDestroy. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#notification-access-and-notification-listeners-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam0#template1.
Vulnerable /system/app/PushAgent/PushAgent.apk	Future instances of this issue will be treated as an alert on 2022-08-16. The app com.skb.stbPush found at /system/app/PushAgent/PushAgent.apk is considered vulnerable because it contains an unsafe implementation of the interfaces HostnameVerifier or X509HostnameVerifier, which makes the app vulnerable to network attacks. Vulnerable Classes: m.client.push.library.network.PushNetworkManager\$1 If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://support.google.com/faqs/answer/7188426 (Note that the remediation options remain the same even though the help article specifically mentions Play Console.)
MBA policy violation in /system/priv-app/SetupWizardCustomizer/SetupWizardCustomizer.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.vasott.leanbacklauncher.partnercustomizer does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.BLUETOOTH. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam5.
	Future instances of this issue will be treated as an alert on 2022-09-28.

MBA policy violation in /system/app/UpgradeService/UpgradeService.apk POSSIBLE WARNING	The app com.skb.btv.upgrade does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.INSTALL_PACKAGES. Please ensure this app is also added to the allowlist. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#package-downloader-installer and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam0#template4.
MBA policy violation in /system/app/SKB_SBOX_STB_Home_UI5.0/SKB_SBOX_STB_Home_UI5.0.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.tv does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.RECORD_AUDIO, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/nativeplayer/nativeplayer.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.skb.btv.framework.media.nativeplayer does not have the proper permissions. App must be added to allowlist, because it declares: android.permission.ACCESS_FINE_LOCATION, android.permission.READ_EXTERNAL_STORAGE, android.permission.WRITE_EXTERNAL_STORAGE. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#mba-pregrant-permissions and exemption details at https://docs.partner.android.com/gms/policies/overview/pregrant-exemptions.
MBA policy violation in /system/app/SKB_IME/SKB_IME.apk POSSIBLE WARNING	Future instances of this issue will be treated as an alert on 2022-10-28. The app com.tvstorm.tv.ime does not have the proper permissions. App uses following permissions, which must be declared in a manifest: android.permission.BIND_INPUT_METHOD, android.permission.RECEIVE_BOOT_COMPLETED. If you believe this finding is incorrect please reach out to your TAM and provide details that help us to validate inaccuracies and improve detection. See more information at https://docs.partner.android.com/gms/policies/domains/mba#shared-system-uids-policy and exemption details at https://docs.partner.android.com/gms/policies/overview/amsterdam5.
